PRESIDENT MESSAGE

Rosanna WONG

“Behind Every Successful Woman, Is A Tribe Of Other Successful Women Who Have Her Back”

As the 2018 President of JCI Hong Kong Jayceettes, I could not be more grateful for all the contribution and hard-work from my fellow boardmates and each organizing committee; as well as all the support from my fellow Past Presidents, Senators and Members to walk me through this amazing journey with so many memorable moments!

With our re-launch of Hong Kong Young Social Entrepreneur Contest under our Care & Dare Series, we aim to empower and equip local teenages to become social entrepreneurs with the focus of “Care for Disabled” to further promote social inclusion. We are proud to have received positive feedback and massive support from the government, commercial and social sectors.

We also continue to plant our JCI seed in young kids by promoting SDG Junior Ambassador Program both locally and globally. This year, we successfully engaged Hong Kong Girl Guides Association as our Training Co-Organizer which is currently the largest female youth organization in Hong Kong and developing our program globally by launching our SDG Training in Tokyo and Manila in mid 2018.

With “Engage To Empower” as our theme in 2018, we are engaged to create positive changes and to amplify our impact by empowering others with the shared values. We look forward to your active participation and support and together we bring JCI Hong Kong Jayceettes to another new height!

SDG Junior Ambassador Programme 2018

SDG小專員計劃2018

Our award-winning **SDG Junior Ambassador Programme (SDGJA)** is back this year with the theme of **“Environment, Health and Well-Being”** with focus on four Sustainable Development Goals (SDGs) – SDG 3 Health and Well-being, SDG 6 Clean Water and Sanitation, SDG 7 Affordable and Clean Energy, SDG 13 Climate Action.

Adopted by the United Nations (UN) in 2015, SDGs are a universal call to end poverty, protect the planet and ensure all people enjoy peace and prosperity. JCI Hong Kong Jayceettes successfully launched the first SDG Junior Ambassador Programme in 2017 with the mission of “education for all” for young teenagers and adults to raise their global awareness and to have better knowledge on societal issues aligned with SDGs with training and implementation activities. The originality of this project won numerous local and international awards including The Best Local Global Goals Project at the JCI Hong Kong National Convention 2017, and The Best Global Goals Project and Most Outstanding Local Project (Top 3 Finalists) at the JCI World Congress 2017 Amsterdam. The Programme impacted thousands of primary and junior high students, teachers, parents in Hong Kong and Manila (The Philippines) in its first year.

Riding on the success from last year, in 2018, we have set ambitious goals to extend our impact abroad and to bring our SDG Junior Ambassador trainings to the new level with brand new training course materials and system. This year, we aim to also deliver trainings in Hong Kong, Japan, and The Philippines.

SDG Junior Ambassador Programme is proud to have **Hong Kong Girl Guides Association** as **Training Co-Organizer** this year. The Hong Kong Girl Guides Association is currently the largest female youth organization in Hong Kong, and one of the 150 Member Organizations of the World Association of Girl Guides and Girl Scouts. We are excited to launch our SDG Junior Ambassador Programme trainings to Brownie Guides (aged 6-12) and Girl Guides (aged 10-18) from May to July. **The SDG Junior Ambassador training activity packs have officially been adopted as one of the Girl Guides official projects and a special badge will be awarded to Guides that complete the training programme.**

Kick-off Ceremony · 10 February 2018

2018 SDG Junior Ambassador Programme Kick-off Ceremony was held on 10 February 2018 (Saturday), where more than 100 guests have attended, learning and sharing the belief of SDG would lead us to peace and sustainability by year 2030. Special thanks to UNESCO Hong Kong Association - Peacemakers' Celebration and Hong Kong Science Park for sponsoring the venue for this debut event. As well, we are happy that our SDG Junior Ambassador Programme is recognized as one of the “Social Peace Project” by our Strategic Partner UNESCO Hong Kong Association

Through sharing from our Event Ambassador Miss Celine Yeung and the 2017 Winning Team, we were able to learn how SDGs can be well-implemented in schools and in the community as a whole.

Training Partner Jockey Club Museum of Climate Change, Chinese University of Hong Kong has also organized an Eco-Enzyme Workshop by giving the audiences some tips on creating a green lifestyle

Many honorable guests attended and officiated the Kick-off Ceremony

[Middle to Left] Ms. Rosanna Wong (2018 President – JCI Hong Kong Jayceettes), Mr. Ronald Kan (2018 National President – JCI Hong Kong), Ms. Phoebe Wan (Strategic Partner – Wofoo Social Enterprises), Mr. Ben Mak (National Vice President – JCI Hong Kong), and Ms. Samantha Kong (Project Chairman, 2018 SDG Junior Ambassador Programme)

Wofoo Water Race Booth · 22 April 2018

Our SDG Junior Ambassador Programme Organizing Committee team participated in the Hong Kong Water Race as Supporting Organization by hosting a Game Booth. This event is organized by our Strategic Partner Wofoo Social Enterprise. We created a Game Booth to promote our project and the UN SDGs, as well as raising the awareness on global health and environmental issues in the community.

The game booth was designed with 3 recycled cardboard dices that were made up of 17 SDGs and the players were required to throw the dices and share with us how much they know about the SDGs. From our participants that day, it revealed that the SDGs are not known to many Hong Kong young teens or children, which it definitely motivated us to continue our project and to educate our future generation about the goals.

Train-the-Trainer Workshop · 6 May 2018

We are excited to present you the first-ever “Train-the-Trainers” Workshop co-organized with Hong Kong Girl Guides Association. It was successfully held on 6 May 2018 with over 50 participants including Guiders, Rangers and our Jayceette members!

The participants were highly motivated and engaged by the trainers through activities and games! Throughout the training, they were able to understand more about the Sustainable Development Goals. Feedback from participants said: “The training was fun and useful in designing and planning their activities in the future to promote SDGs to our kids and our community”.

Our “Jayceettes SDG Baby Trainers” include (From Left to Right): PM Winnie Li, OC Angel Lam, Director Caren Ngai, Project Chairman Samantha Kong (Head Trainer), Project Advisor Past President Senator Carol Yeung (Head Trainer), President Rosanna Wong, Supervising Officer Ellen Chung (Assistant Trainer), VP Dora Chan, Officer Rainbow Yuen, OC Sammi Yung and Vincy Wong.

Girl Guides and Leaders are recognized with a special badge or pin upon successful completion of SDG Junior Ambassador Programme.

In early July, there will be an exchange opportunity for selected Outstanding SDG Junior Ambassadors (Hong Kong Girl Guides) to Tokyo, Japan. We are pleased to have confirmed Hong Kong Airlines as Airline Sponsor to provide this valuable opportunity to our young girls. Our aim is to provide a chance for the young Girl Guides to represent Hong Kong to present what they have done in Hong Kong related to the SDGs and how they impact their local communities, and they will be given a chance to explore how SDGs are promoted and implemented in Japan. In addition, we will conduct our training in Japan with the Girl Scouts of Japan to share views on international issues and to extend our global reach in our Programme. More trainings abroad and events will be announced in the coming month including a special social media video campaign, stay tuned on our Facebook www.facebook.com/sdgja for the latest information.

Carmen Tang

It was awesome to be part of the Inaugural IA Reception Team. It was my first time to meet so many foreign JC members and by chatting with them, I learnt so much more about their country and culture. And I got to introduce to them our Hong Kong culture, in particular our Hong Kong style street food - it was a remarkable experience!

Rebecca Li

It was a great chance to meet people around the globe, and especially our special friends from our sister chapter JCI Manila! They were so kind to take us to many places and showed us around the city during our stay, which I truly appreciate JCI Manila brothers for their great hospitality. We were also lucky to join their nationwide project "Happy Jesus Day" community event, which help to build a library for kids in their local communities to spread love and help people in need. The highlight of this trip was definitely the inauguration ceremony of JCI Manila. It was a fabulous night with great program mixed with happiness, joyful tears and tons of fun.
