WELCOME MESSAGE FROM PRESIDENT ELLEN CHUNG

*“Leaders become great, not because of their power,
but because of their ability to empower others.”*

JOHN MAXWELL

I am honored to have been afforded the privilege of serving as the President of JCI Hong Kong Jayceettes in 2019!

“The Golden Past, A Gleaming Future” is the core theme of JCI Hong Kong Jayceettes in 2019 and this year marks our 50th Golden Jubilee celebratory milestone. We have been dedicated to nurturing the caring and daring female leaders in the area and promoting fair and integrated communities in the past years. We will continue to lead and serve our community; to provide development opportunities for young people, and to nourish new young leaders for active citizenship movement. We highly appreciate the generous and unfailing support from our fellow Past Presidents, Senior Members and Full Members throughout the past years! Taking this opportunity, we would like to gather all members to celebrate our 50th Golden Jubilee on 19th October 2019! We shall re-connect with our long-time friends and make new allies as we collectively embark on the next decade of creating positive changes to the world.

The Golden Past A Gleaming Future

Members are our greatest assets! We proudly present ‘Jayceettes Academy’ in 2019 which will support both membership affairs and leadership development. Throughout the years, we initiate close engagement with new prospective female members who are interested in community-related topics and looking for self-development opportunities.

We care about our members and listen to them in order to customise a development path for each of them. Casual Gatherings will be continuously held to strengthen our sisterhood and bonding, while the themes will be set according to our members’ interests or echo with the celebration of different festivals!

Riding on the success of our SDG Junior Ambassador Programme, we are delighted to continue with this initiative in advocating SDGs locally and globally in an interactive and impactful way. We strongly believe that planting seeds in our future young leaders can multiply the impact to their peers, family and friends. We can create a greener lifestyle and sustainable future together through quality education.

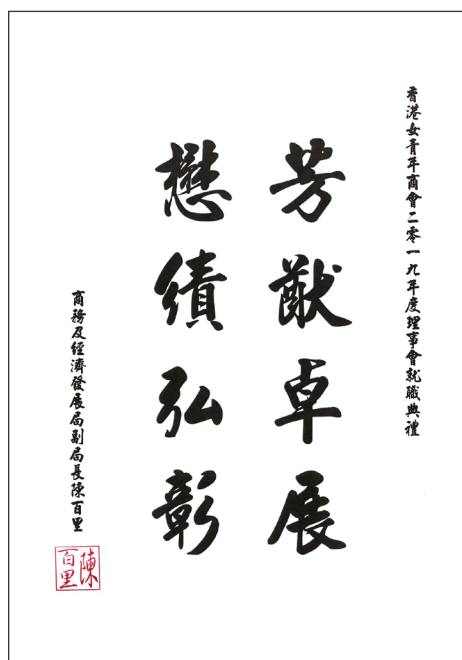

It’s the age of female leaders. To foster our belief in women equality and female empowerment, we will introduce our flagship project ‘Woman Elites Series 2019’ which focuses on women entrepreneurship. Woman in business is going to be the trend of the world. We believe “Biz on Stilettos” can help women to build up their personal brand and to have a clear picture of scaling their businesses in a heavily male-dominated world. We dare to care and inspire the new women for entrepreneurial success!

Internationalism is one of the core values of JCI which provides a platform for us to know more JC members from all over the world who share the same. With all of our overseas chapters’ gracious support in the past years, we will engage more members to attend the international events and overseas chapters’ visits! It is also our 45th anniversary celebration of friendship establishment with our sister chapter JCI Kaohsiung!

My Board of Directors and I are ready to embark on this wondrous and fruitful year 2019 together!

UNDER SECRETARY FOR COMMERCE AND ECONOMIC DEVELOPMENT DR BERNARD CHAN PAK-LI, JP

2019 NATIONAL PRESIDENT JCI HONG KONG SENATOR ZENITH LIN

American author Mr. Edward Everett Hale once said that "Coming together is a beginning; keeping together is a progress; working together is a success". At the very beginning of the year 2019, it is a fresh start for all local chapters to challenge themselves to make impacts on society. "Keep Changing the World" is the theme of JCI Hong Kong 2019. It is crucial that we follow the active citizen framework and work together to find the root cause of our social issues and take actions.

In the past five decades, JCI Hong Kong Jayceettes, who is the first female chapter in the Asia Pacific, contributed themselves to the society. In recent years, JCI Hong Kong Jayceettes has initiated a lot of award-winning projects such as Care and Dare Series, SDG Junior Ambassador Programme and Hong Kong Young Social Entrepreneur Contest. Each project echoed social needs and addressed a social issue in Hong Kong. Moreover, through organising projects, we nurtured many active citizens who are willing to take up the challenge to change the world in a positive way.

Last but not least, I wish JCI Hong Kong Jayceettes a very fruitful and successful year ahead. Let's keep changing the world together for our next generation.

HONORARY LIFE PRESIDENT SENATOR JENNIFER YU

BUSINESS AFFAIRS

The 2019 Business Affairs team proudly presents the new project – Female Elites Series 2019 – Business on Stilettos.

Women today are CEOs, entrepreneurs, philanthropists and much more. Their innovation and compassion allow them to be great leaders and inspire the young generation to reach greater heights than ever before.

“There is no limit to what we, as women, can accomplish.”

MICHELLE OBAMA

Our project “Business on Stilettos” is designed for local women who want to explore themselves to start a new business and learn how to run it. A series of business workshops will equip them with the fundamental business knowledge such as marketing, financial planning and branding. We will also provide business exchange platforms such as mingling session during workshops and a bazaar day for women to develop business networks and explore opportunities.

INTERNATIONAL AFFAIRS

International Affairs team's mission is to promote the JCI Internationalism by encouraging members to actively participate in international events, such as Asia and the Pacific Area Conference (ASPAC) in June and World Congress in November. Moreover, with solid and closed relationship with our sisters chapters and friendship pacts, we plan to attend the Inaugural Ceremony of JCI Manila in Philippines in January and JCI E-Metropolitan (E-metro) in Malaysia in February.

CHINESE AFFAIRS

China is one of the Four Ancient Civilizations. Chinese culture is diverse and unique, yet harmoniously blended — an invaluable asset to the world.

Besides her rich and profound culture, China is the world's second largest economy by nominal GDP and the world's largest economy by purchasing power parity.

Chinese Affairs team is dedicated to promoting Chinese culture and introducing China's new development to members. Riding on the Greater Bay Area Initiatives, our team is planning to organize a series of Mainland visits, including a half day trip to Shenzhen to open mainland bank accounts in February and a short trip to visit corporations and meet mainland women organisations of the Greater Bay Area in May.

We will also have a sharing session of Chinese Calligraphy appreciation for our members in May.

Let's learn more about our Motherland!

2019 is a memorable year with JCI Kaohsiung. We plan to celebrate our 45th anniversary of friendship in Jeju, South Korea in June. This is a cross-regional collaboration and our team is very excited about it. In addition, we will take this wonderful opportunity to meet our sister chapter JCI Yokohama and friendship pact JCI Toyota during ASPAC.

Riding on the 50th Anniversary, we plan to organize a 3-day IA reception to warm welcome our JCI international friends to visit our celebration in October.

Let's meet new friends internationally!

JAYCEETTES ACADEMY

Jayceettes Academy will be established under both areas of Membership Affairs(MA) and Leadership Development(LD) in 2019, acting as the “Recruitment and Training School” for the Chapter. We hope to take care of our members in all aspects: from recruiting, training, converting, retaining, developing and promoting; making sure that all members get development opportunities in creating positive changes.

New members introduced and inducted in 2018

Members are our most crucial assets. Membership Affairs area will focus on members’ recruitment, retention and extension; identifying each member’s reason to be a Jayceettes and further facilitate them to learn more new skills in contributing to their personal and professional growth. Prospective Members Orientation will be consistently held to attract new young ladies in joining our chapter and to encourage them in participating in NOM 5-Star Trainings as well. Prospective Member Handbook will be distributed to all PMs to equip them with JC knowledge in the most effective way. Casual gatherings will be organized to further promote the mingling and fellowship of members and enhance members’ sense of belonging to the Chapter. Effective

manpower allocation system will also be maintained to make the right people on the right spot in benefitting the project and their personal growth.

Leading into our Chapter’s 50th Anniversary, MA area is also proud to announce our new scheme called “Jayceettes Benefits” where we have aligned with various brands’ goods and services to provide discounts and offers, exclusively for our JCI Hong Kong Jayceettes members. Stay tuned for each quarter’s update! Feel free to also provide us you or your friends’ connections!

Casual Gathering – Mooncake Making

New Members’ Training, Project Management Training, Joint Chapter JCI Official Course, Members’ Development Workshop and LOTS Training will be provided to ensure that all our members are equipped with the right skillset to meet the challenge of our 50th Golden Jubilee. A refined Project Management Kit will be distributed to Organizing Committees to enhance project efficiency by providing updated templates of common documents.
